## *An historic beauty*

In the shade of several majestic Jacaranda trees, the Moller Pavillion holds a very special place in the history of the Bangalow village. Originally a great grandstand in the heyday of the Bangalow village showgrounds, the grandstand was blown down in a fierce storm to be rebuilt through the generosity of community champion Vic Moller. It is named a pavillion as it offers as much space outside as it does inside, with views of rolling green paddocks and surrounding hills visible from the spacious verandah's and windows within.

For those people who love to bring the outdoors in, the pavillion offers a wonderful space for many events, activities, workshops, weddings, drumming lessons, meditation, exercise and yoga classes, club meetings, birthday and anniversary parties and any other function or event.

The open plan Moller Pavillion has a kitchen at one end and a kitchenette at the other end. This very special venue offers privacy, space and flexibility for your event, yet so central to one of the most popular villages in the Northern Rivers.

The Old Scout Hall is a smaller space with a kitchenette and toilets, ideal for classes, workshops and small groups.

# Moller Pavillion, Bangalow

## Floor Plan

CAPACITY	
Seated	170 people
Standing	200 people

INVENTORY	
Trestle Tables	30
